

Office / Home

GROOVE - Power where you need it.

The compact multi-socket can be easily positioned thanks to a magnetic surface or 3M adhesive and repositioned at any time. With three sockets, two USB-C ports (up to 22 W, PD 3.0, PPS), and a high-quality design with silicone cable, GROOVE combines functionality and aesthetics.

Key Features

- Three sockets
- Two USB-C ports (up to 22 W charging power)
- 2.0 m flexible power cable
- Magnetic base for secure mounting
